Guidance for 2019 International Postgraduates of Wuhan Textile University

1. Introduction to Wuhan Textile University

Wuhan Textile University is a comprehensive university founded in 1958. It is one of the top ten universities famous in Fashion in China and the university for 'Education and Training Plan for Excellent Engineers' of the Ministry of Education of China.

It is located in Wuhan City, Hubei Province, covering an area of 135 hectares. There are 21 teaching departments and 64 undergraduate majors, including 4 specialties with national characteristics, 8 specialties of 'Education and Training Plan for Excellent Engineers' of the Ministry of Education, 7 outstanding specialties of Hubei Province, and 13 first-level disciplines for master's degree. The university has over 20000 students, 2000 staff and 1000 full-time teachers.

Wuhan Textile University is a training unit of the Chinese Government Scholarship Project and the Silk Road Chinese Government Scholarship Project. It has established ties with more than 100 universities and institutions in more than 30 countries and regions. It is the first member of AUTEXT in China mainland, the member of the board of the U.K. Textile Institute and the U.S. Fiber Society, the initiative unit of 'The Belt and Road' Association of Textile Higher Education, the alliance member of 'The Belt and Road' World Textile University. It undertook the 89th Textile Institute World Conference (in 2014), International Forum of Chinese Scientists in Textile Materials, First Sino-Russian University Forum in Hubei Province, 2017 China Textile Academic Conference, 'The Belt and Road' Textile Higher Education Summit Forum.
